

## WOODS

We use 100% of one wood for artist series - all layers are made of the same veneer. The shells are crossglued laminated.

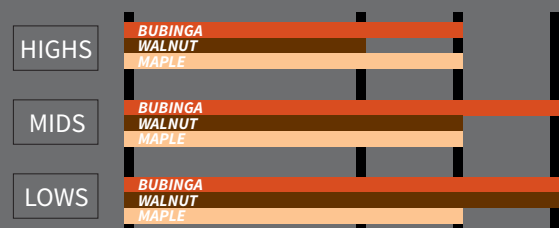

- Walnut  
8-18" 8 layers with 4.8 mm thickness  
20-24" 10 layers with 6 mm thickness
- Bubinga  
8-18" 8 layers with 4.8 mm thickness  
20-24" 10 layers 6 mm thickness
- Maple  
8-16" 6 layers with 4 mm thickness  
18-24" 8 layers with 5.5 mm thickness

## SOUND

**Bubinga**  
provide rich and fat low end as well as deep, dark tones with a clear projection and sustain

**Walnut**  
naturally EQ'ed warm, round tone with great low-end and enough cut to be heard through any mix.

**Maple**  
delivers a mellow, warm and very balanced round tone.
